

## SEAMLESS TRANSFER

### *Sport and Leisure Management*

The University of Mary and Bismarck State College have partnered to offer the Seamless Transfer program. Now, it's even easier to step from a two-year program into a bachelor's degree.

The Seamless Transfer program allows students to work towards their bachelor's degree from the University of Mary while simultaneously earning their associate's degree from Bismarck State College. Students who successfully complete their Associate of Science/Arts degree with the required Mary pre-requisites at Bismarck State College can seamlessly transfer to the University of Mary and complete their Bachelor of Science in Sport and Leisure Management in as little as two years.

**Workers with a bachelor's degree can earn \$1,344 more per month than those with an associate's degree.**

*(Dollar amount is based on the median usual weekly earning.)*
