## University of Mary and Bismarck State College

## **TRANSFER GUIDE**

# **SEAMLESS TRANSFER** *Biology, Wildlife Concentration*

CIRCULATION

The University of Mary and Bismarck State College have partnered to offer the Seamless Transfer program. Now, it's even easier to step from a two-year program into a bachelor's degree.

The Seamless Transfer program allows students to work towards their bachelor's degree from the University of Mary while simultaneously earning their associate's degree from Bismarck State College. Students who successfully complete their Associate of Science/Arts degree with the required Mary prerequisites at Bismarck State College can seamlessly transfer to the University of Mary and complete their bachelor's degree in as little as two years.

Workers with a bachelor's degree can earn \$1,344 more per month than those with an associate's degree.

(Dollar amount is based on the median usual weekly earning.)

**Questions?** 

We're just a phone call or email away, 701-355-8030 or transfers@umary.edu.

Additional Upper-Level Electives

Free Electives (10 credits)

Summer Internship in Wildlife/Conservation Bio

Total: 124 Semester Credits required for Graduation

Maximum of 62 BSC credits can be transferred to the University of Mary.

If student is pursuing an AA degree instead of AS, different elective courses may be required at BSC to fulfill those requirements. Meet with your advisor to adapt your course plan.

Students may choose to complete electives at BSC other than those recommended above. Contact University of Mary Admissions if you have questions regarding transfer equivalencies for different courses, in order to ensure the selected courses will apply toward your University of Mary program of study.
