

## Partners in Education

University of Mary and Northland Community & Technical College

## Complete Your Bachelor's Degree Respiratory Therapy

*The University of Mary and Northland Community & Technical College have partnered to support you as you work toward your bachelor's degree. Through this partnership, it's even easier to make the step from an RRRT program to finishing a bachelor's degree.*

Our partnership allows you to easily transfer course credits earned at Northland and use them toward earning a bachelor's degree from the University of Mary. Using the guide on the back, you can plan in advance to complete the all appropriate coursework required to earn your bachelor's degree — meaning you'll be well prepared for success as you pursue a bachelor's degree.

*The University of Mary is dedicated to supporting students like you — those answering the call to serve in their communities and meet their regional workforce needs. While each student comes to us with distinct circumstances, experiences, and perspectives, our faculty, advisors, and staff will ensure that you graduate with the tools you need to succeed — in your career and in your life.*

**Total Transfer Credits to UMary: 59**

Maximum of 62 NCTC credits can be transferred to the University of Mary.

If student is pursuing a program other than Respiratory Therapy at NCTC, different elective courses may be required at NCTC to fulfill those requirements. Meet with your advisor to adapt your course plan.

Students may choose to complete electives at NCTC other than those recommended above. Contact University of Mary Admissions if you have questions regarding transfer equivalencies for different courses, in order to ensure the selected courses will apply toward your University of Mary program of study.

**The following courses to be completed at the University of Mary**
