

## Partners in Education

University of Mary and Milwaukee Area Technical College

### *Complete Your Bachelor's Degree* **Respiratory Therapy, RRT-BSRT**

*The University of Mary and Milwaukee Area Technical College have partnered to support you as you work toward your bachelor's degree. Through this partnership, it's even easier to make the step from an associate's degree program to finishing a bachelor's degree.*

Our partnership allows you to easily transfer course credits earned at Milwaukee Area Technical College and use them toward earning a bachelor's degree from the University of Mary. Using the guide on the back, you can plan in advance to complete the all appropriate coursework required to earn your bachelor's degree — meaning you'll be well prepared for success as you pursue a bachelor's degree.

*The University of Mary is dedicated to supporting students like you — those answering the call to serve in their communities and meet their regional workforce needs. While each student comes to us with distinct circumstances, experiences, and perspectives, our faculty, advisors, and staff will ensure that you graduate with the tools you need to succeed — in your career and in your life.*
