

# Complete Your Bachelor's Degree

University of Mary and Bismarck State College

## Nursing, RN-BSN

It's never made more sense for students to transition from an associate's to a bachelor's degree. Bismarck State College alumni can **complete their bachelor's degree online from the University of Mary while paying BSC's current per-credit tuition rate** for upper-level courses.

Mystic alumni interested in completing their bachelor's degree in-person can enroll in Mary's on-campus program and become eligible for special merit-based scholarships.

The Mystic-Marauder commitment allows students to easily transfer course credits earned at Bismarck State College and apply them to a bachelor's degree from the University of Mary.

Use the guide on the back of this flyer to plan the coursework required to complete a bachelor's degree in your program.

BSC grads earning their bachelor's degree online from Mary pay BSC's current 300- and 400-level per-credit tuition rate

Scholarships are available for BSC grads opting to complete a bachelor's degree on the University of Mary's campus

### Total Transfer: 62 Credits

Maximum of 62 BSC credits can be transferred to the University of Mary.

Courses that will be applied toward the RN-BSN major at the University of Mary require a minimum grade of C.

If student is pursuing an AA degree instead of AS, different elective courses may be required at BSC to fulfill those requirements. Meet with your advisor to adapt your course plan.

Students may choose to complete electives at BSC other than those recommended above. Contact University of Mary Admissions if you have questions regarding transfer equivalencies for different courses, in order to ensure the selected courses will apply toward your University of Mary program of study.
