

Complete Your Bachelor's Degree

University of Mary and North Dakota State College of Science

Elementary Education, AA Transfer

The University of Mary and North Dakota State College of Science have partnered to support you as you work toward your bachelor's degree. Through this partnership, it's even easier to make the step from an associate's degree program to finishing a bachelor's degree.

Our partnership allows you to easily transfer course credits earned at North Dakota State College of Science and use them toward earning a bachelor's degree from the University of Mary. Using the guide on the back, you can plan in advance to complete the all appropriate coursework required to earn your bachelor's degree — meaning you'll be well prepared for success as you pursue a bachelor's degree.

The University of Mary is dedicated to supporting students like you — those answering the call to serve in their communities and meet their regional workforce needs. While each student comes to us with distinct circumstances, experiences, and perspectives, our faculty, advisors, and staff will ensure that you graduate with the tools you need to succeed — in your career and in your life.

Total: 130 semester credits for Graduation required for graduation

Maximum of 62 NDSCS credits can be transferred to the University of Mary.

Courses that will be applied toward the EED major at the University of Mary require a minimum grade of C.

If student is pursuing an AS degree instead of AA, different elective courses may be required at NDSCS to fulfill those requirements. Meet with your advisor to adapt your course plan.

Students may choose to complete electives at NDSCS other than those recommended above. Contact University of Mary Admissions if you have questions regarding transfer equivalencies for different courses, in order to ensure the selected courses will apply toward your University of Mary program of study.
