

# Complete Your Bachelor's Degree

University of Mary and Bismarck State College

## Psychology

It's never made more sense for students to transition from an associate's to a bachelor's degree. Bismarck State College alumni can **complete their bachelor's degree online from the University of Mary while paying BSC's current per-credit tuition rate** for upper-level courses.

Mystic alumni interested in completing their bachelor's degree in-person can enroll in Mary's on-campus program and become eligible for special merit-based scholarships.

The Mystic-Marauder commitment allows students to easily transfer course credits earned at Bismarck State College and apply them to a bachelor's degree from the University of Mary.

Use the guide on the back of this flyer to plan the coursework required to complete a bachelor's degree in your program.

BSC grads earning their bachelor's degree online from Mary pay BSC's current 300- and 400-level per-credit tuition rate

Scholarships are available for BSC grads opting to complete a bachelor's degree on the University of Mary's campus
