--	---------------------------

This Agreement is entered into between **Emmaus Institute for Biblical Studies** (hereinafter sending institution), and **University of Mary** (hereinafter receiving institution). This Agreement and any amendments and supplements, shall be interpreted pursuant to the laws of the North Dakota.

The sending institution has established a training/certification program in the following area (hereinafter sending program), and the receiving institution has established a graduate certificate in the following (hereinafter receiving program), and will facilitate credit transfer and provide a smooth transition from one related program to another:

Sending Program	University of Mary Receiving Program
Creation to New Creation: Journey Through Scripture from Genesis to Revelation Certificate	Master of Arts in Applied Catholic Theology: Sacred Scripture Certificate

It is mutually agreed:

Admission and Graduation Requirements

- a) The receiving institution's admission and program admission requirements apply to both direct entry students and to students who transfer under this agreement.
- b) Students must complete the entire sending program and meet the receiving institution's admission requirements for the agreement to apply.
- c) Each institution shall determine the modality for delivering its courses, whether seated, online, or blended.

Transfer of Credits

The receiving institution will accept completion of the Emmaus Institute certificate program as prior learning toward the nine credits required of the Sacred Scripture certificate, which is a component of the M.A. in Applied Catholic Theology. Remaining master's program credits will be completed at the receiving institution. Students must provide an official record of Emmaus Institute certificate completion in order to receive this credit. Students must enroll at the University of Mary in an applicable degree program order to receive these prior learning credits—no graduate credit can be transcribed for non-matriculated students.

The Chief Academic Officers or designees of the parties to this agreement will implement the Terms of this agreement, including identifying and incorporating any changes into subsequent agreements, assuring compliance with system policy, procedure and guidelines, and conducting a periodic review of this agreement.

The college and university shall work with students to resolve the transfer of courses should changes to programs occur while the agreement is in effect.

When a student notifies the receiving institution of their intent to follow this agreement, the receiving institution will encode course waivers and substitutions.

Effective Date and Duration

This Articulation Agreement is effective on 10 / 24 / 2023 **(insert date)** and shall remain in effect for five years unless terminated or amended by either party with 30 days prior written notice.
