

BETTER **TOGETHER**

Bismarck State College & University of Mary

The Best of Both for Bismarck-Mandan

Experience a seamless transition from an associate to a bachelor's degree.

We value the affordability of Bismarck State College and know their graduates are excellent candidates for our bachelor's degree programs.

Whether you capitalize on the opportunity to pay BSC's current per-credit tuition rate for upper-level courses by completing your bachelor's degree online or take advantage of special merit-based scholarships for an in-person, on-campus bachelor's degree program, the University of Mary is delighted to help you further your education.

With this guide, plan in advance to complete all appropriate coursework required to earn your bachelor's degree from Mary. Begin a prosperous career with the best of Bismarck: a foundation from BSC and a bachelor's degree from Mary.

Civil Engineering

Civil engineering at Mary concentrates on the design, construction, and maintenance of vital infrastructure systems such as roads, bridges, dams, tunnels, and water supply networks. Students in our civil engineering program gain hands-on experience in applying mechanics and material science to each of the field's five sub-disciplines: structural engineering, geotechnical engineering, transportation engineering, water resources engineering, and environmental engineering.

Our partnership with Bismarck State College allows you to easily transfer course credits earned at BSC and use them toward earning a bachelor's degree from the University of Mary. Utilizing the guide on the next page, you can plan to complete all appropriate coursework required to earn your bachelor's degree — meaning you'll be well prepared for success as you pursue a degree from Mary.

- COM 303 or 352**
Theory Elective (3 cr)
- COM Upper Elective I (3 cr)**
See Catalog for Options, No Overlap with Previous Credits
- COM Upper Elective II (3 cr)**
See Catalog for Options, No Overlap with Previous Credits
- COM Upper Elective III (3 cr)**
See Catalog for Options, No Overlap with Previous Credits
- HUM 499**
Senior Competency Testing (0 cr)
- Additional Upper-Level Electives: 16 credits*
- Additional Electives: 13 credits*
- Total: 124 semester credits required for graduation**

Computer Information Systems

The computer information systems bachelor's degree program at the University of Mary focuses on practical applications of technology and the use of information technology (IT) in a business context.

Our partnership with Bismarck State College allows you to easily transfer course credits earned at BSC and use them toward earning a bachelor's degree from the University of Mary. Utilizing the guide on the next page, you can plan to complete all appropriate coursework required to earn your bachelor's degree — meaning you'll be well prepared for success as you pursue a degree from Mary.

The University of Mary is dedicated to supporting students like you — those answering the call to serve in their communities and meet their regional workforce needs. While each student comes to us with distinct circumstances, experiences, and perspectives, our faculty, advisors, and staff will ensure that you graduate with the tools you need to succeed — in your career and in your life.

Computer Engineering

Computer engineers specialize in designing, building, testing, and optimizing hardware components and systems. To provide students with an integrated overview of the field's chief concerns, the University of Mary's computer engineering program supplements targeted instruction in the foundations of hardware development with broad exposure to core principles of engineering in general and software engineering in particular.

Our partnership with Bismarck State College allows you to easily transfer course credits earned at BSC and use them toward earning a bachelor's degree from the University of Mary. Utilizing the guide on the next page, you can plan to complete all appropriate coursework required to earn your bachelor's degree — meaning you'll be well prepared for success as you pursue a degree from Mary.

English

Mary's English majors demonstrate knowledge of the mechanical, historical, and rhetorical significance of language usage, identify and explain the formal elements of texts, and explore a text's meaning. With an understanding of a wide range of traditions, periods, movements, authors, genres, and works of literature, students will produce relevant, credible, eloquent, and well-researched arguments about literature.

Our partnership with Bismarck State College allows you to easily transfer course credits earned at BSC and use them toward earning a bachelor's degree from the University of Mary. Utilizing the guide on the next page, you can plan to complete all appropriate coursework required to earn your bachelor's degree — meaning you'll be well prepared for success as you pursue a degree from Mary.

The University of Mary is dedicated to supporting students like you — those answering the call to serve in their communities and meet their regional workforce needs. While each student comes to us with distinct circumstances, experiences, and perspectives, our faculty, advisors, and staff will ensure that you graduate with the tools you need to succeed — in your career and in your life.

Liberal Arts Elective (3 cr)	Liberal Arts Elective

Additional BSC Degree Requirements

BSC Course Name and Number	University of Mary Course
Complete Enrichment Requirement (3 cr recommended)	Elective
Diversity Requirement (3 cr)	Met by ECON 201

Maximum of 62 BSC credits can be transferred to the University of Mary.

Courses that will be applied toward the MKT major at the University of Mary require a minimum grade of C-.

If student is pursuing an AA degree instead of AS, different elective courses may be required at BSC to fulfill those requirements. Meet with your advisor to adapt your course plan.

Students may choose to complete electives at BSC other than those recommended above. Contact University of Mary Admissions if you have questions regarding transfer equivalencies for different courses, in order to ensure the selected courses will apply toward your University of Mary program of study.

The following courses to be completed at The University of Mary

- FYE 322**
Transition Seminar (1 cr)
- COM 330**
Strategic Communication Principles (3 cr)
- BUS 311**
Business Law I (3 cr)
- BUS 330**
International Marketing (3 cr)
- BUS 333**
Marketing (3 cr)
- BUS 340**
Sales Management (3 cr)
- BUS 341**
Retailing (3 cr)
- BUS 362**
Financial Management (3 cr)
- BUS 280**
Internship and Career Prep (1 cr)
- BUS 403**
Strategic Leadership and Management (3 cr)
- BUS 406**
Marketing Research (3 cr)
- BUS 437**
Digital Marketing & Analytics (3 cr)
- BUS 446/452**
Internship or Experiential Design (4 cr)
- HUM 499**
Senior Competency Testing (0 cr)
- Additional Liberal Art Electives to total 52 (8 cr)*
- Additional Electives: 19 credits
(at least 8 at the 300/400 Level)*
- Total: 124 semester credits required for graduation**

Math

Mary's math program offers a broad background in both pure and applied mathematics that will prepare you for a wide range of careers or graduate study. Our graduates are analytical and understand how to solve problems with quantitative methods and technology.

Our partnership with Bismarck State College allows you to easily transfer course credits earned at BSC and use them toward earning a bachelor's degree from the University of Mary. Utilizing the guide on the next page, you can plan to complete all appropriate coursework required to earn your bachelor's degree — meaning you'll be well prepared for success as you pursue a degree from Mary.

The University of Mary is dedicated to supporting students like you — those answering the call to serve in their communities and meet their regional workforce needs. While each student comes to us with distinct circumstances, experiences, and perspectives, our faculty, advisors, and staff will ensure that you graduate with the tools you need to succeed — in your career and in your life.

Mechanical Engineering

Mechanical engineers from Mary design, test, and supervise the manufacture of tools, engines, and machines. To prepare students to pursue careers in fields as varied as biomechanics, robotics, and energy systems engineering, our mechanical engineering program supplies a comprehensive theoretical foundation in materials science, thermodynamics, and fluid mechanics as well as practical training in computer-aided design (CAD), modeling, structural and mechanical design, and machining.

Our partnership with Bismarck State College allows you to easily transfer course credits earned at BSC and use them toward earning a bachelor's degree from the University of Mary. Utilizing the guide on the next page, you can plan to complete all appropriate coursework required to earn your bachelor's degree — meaning you'll be well prepared for success as you pursue a degree from Mary.

Total Transfer: 62 Credits

Maximum of 62 BSC credits can be transferred to the University of Mary.

Courses that will be applied toward the RN-BSN major at the University of Mary require a minimum grade of C.

If student is pursuing an AA degree instead of AS, different elective courses may be required at BSC to fulfill those requirements. Meet with your advisor to adapt your course plan.

Students may choose to complete electives at BSC other than those recommended above. Contact University of Mary Admissions if you have questions regarding transfer equivalencies for different courses, in order to ensure the selected courses will apply toward your University of Mary program of study.

The following courses to be completed at the University of Mary

FYE 322

Transition Seminar (1 c)

CTH/THE 234

Benedict: Yesterday and Today (3 cr)

PHI 308

Ethics (3 cr)

ANT 171 or SOC 107

Cultural Anthropology or General Soc (3 cr)

MAT 103 or 180

College Algebra or Elementary Stats (4 cr)

NUR 336

Ethics, Law and Policy (3 cr)

NUR 348

RN to BSN Health Assessment (3 cr)

NUR 352

Health Promotion for the Older Adult (3 cr)

NUR 368

Evidence Based Nurse Practice (3 cr)

NUR 402

Community as Partner (3 cr)

NUR 437

The Professional Nurse (4 cr)

NUR 462

Leadership Management (3 cr)

NUR 468

Global Nursing Issues (3 cr)

NUR 479

Professional Nursing II (3 cr)

NUR 497

Prior Learning Credit (9 cr)

HUM 499

Senior Competency Testing (0 cr)

Additional Liberal Arts Electives: 11 credits

Total: 124 semester credits required for graduation

Physical Education

Physical education majors at Mary develop the knowledge and skills to teach at the elementary and/or secondary education levels. Practicums and hands-on learning opportunities provide valuable classroom experience before graduation.

Our partnership with Bismarck State College allows you to easily transfer course credits earned at BSC and use them toward earning a bachelor's degree from the University of Mary. Utilizing the guide on the next page, you can plan to complete all appropriate coursework required to earn your bachelor's degree — meaning you'll be well prepared for success as you pursue a degree from Mary.

The University of Mary is dedicated to supporting students like you — those answering the call to serve in their communities and meet their regional workforce needs. While each student comes to us with distinct circumstances, experiences, and perspectives, our faculty, advisors, and staff will ensure that you graduate with the tools you need to succeed — in your career and in your life.
