

Radiologic Technology

The University of Mary's radiologic technology bachelor's degree program prepares students to lead in the field of radiology, with the option of an emphasis in management. Graduates are eligible to take the Radiologic Radiographer's Registry Examination to become certified as Registered Radiologic Technologists and Radiographers.

Our partnership with Bismarck State College allows you to easily transfer course credits earned at BSC and use them toward earning a bachelor's degree from the University of Mary. Utilizing the guide on the next page, you can plan to complete all appropriate coursework required to earn your bachelor's degree — meaning you'll be well prepared for success as you pursue a degree from Mary.

The University of Mary is dedicated to supporting students like you — those answering the call to serve in their communities and meet their regional workforce needs. While each student comes to us with distinct circumstances, experiences, and perspectives, our faculty, advisors, and staff will ensure that you graduate with the tools you need to succeed — in your career and in your life.

UNIVERSITY
of MARY

for Life.
