### Whereas:

- CCCC has established undergraduate programs in which students earn an AA, AS, AAS, diploma, or certificate (hereafter sending programs) and
- UMary has established undergraduate programs in which students earn a BA, BAN, BS, BAS, BMus, BSN, BSRT, or BUS, (hereinafter receiving programs),

The receiving institution will facilitate credit transfer between sending and receiving programs and provide a smooth transition from one related program to another.

#### 2. Transfer of Credits

The receiving institution will accept transfer credits from the sending institution in accordance with its Transfer of Credit policy<sup>1</sup> and as described in the Program Articulation Tables (hereafter Tables). Tables shall be developed program-by-program upon request by either institution, and will be reviewed annually by the receiving institution's Office of the Registrar to ensure consistency with each institution's Catalog. The Tables shall be approved by the sending institution before implementation. The sending and receiving institutions shall cooperatively work with students to resolve the transfer of courses should changes to either sending or receiving programs occur that are not reflected in the Tables. When a student notifies the receiving institution of their intent to follow this agreement, the receiving institution will encode course waivers and substitutions.
